

Meet our Artist of the Month

Jacque' Sligh

Reception for
Jacque on
Sunday,
September 21
2-4pm

From childhood, **Jacque' Sligh** has had a joy and love for art but only began painting in oils after she moved to Collierville over 20 years ago. She gets her ideas and subjects for painting from her travels locally, nationally and abroad. She is inspired by being in nature and seeing the impact of light, shadow and color in the world around her. She tries to capture that beauty on her canvas in an impressionistic style. Jacque' is a member of Memphis/Germantown Art League, Bartlett Art Association and Plein Air Memphis. Her art work hangs in various locations including The Art and Frame Shop (Collierville) and St. Francis Hospital (Bartlett).
