

Collierville Burch Library & Mid South Therapy Dogs

INVITES YOU TO

P ws for READING

with the

READING EDUCATION ASSISTANCE DOGS (R.E.A.D.) ®

Collierville Burch Library is participating in Project R.E.A.D. This program is dedicated to improving children's reading skills by using registered Pet Partner therapy teams as literacy mentors. This permission form allows your child to participate in R.E.A.D. sessions and for his/her photographic image to be used in publications, displays, or for broadcasting on TV or radio. The dogs and their handlers have been insured for liability, and have reading education training in addition to their extensive training and registration to do AAI (animal assisted interactions). Children must have a signed permission slip in order to participate. Please contact the library with your questions or comments.

Child's Name: _____ Age: _____

Address: _____

Email: _____ Phone: _____
