

The Collierville Burch Library Teens Present:

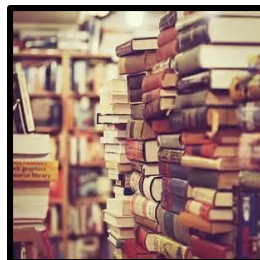

The BurchBookLovers' Teen Book Club

Come join us as we read and discuss the book of the month! We meet once a month, every month of the year. At our meetings we eat a few snacks, play a review game, discuss the book read, vote on the next book, and (if time allows) play a game! It's super fun, exposes you to new books, and introduces you to other people who love books just as much as you do.

Who: Teens, 6th-12th grade

When: The second Monday of each month from 4-5 P.M.

Where: The Storytelling Room at the Collierville Burch Library
