Register for Free Account

- Enter Library card number, email address, zip code, create username and password

2 ways to download OneClickdigital titles

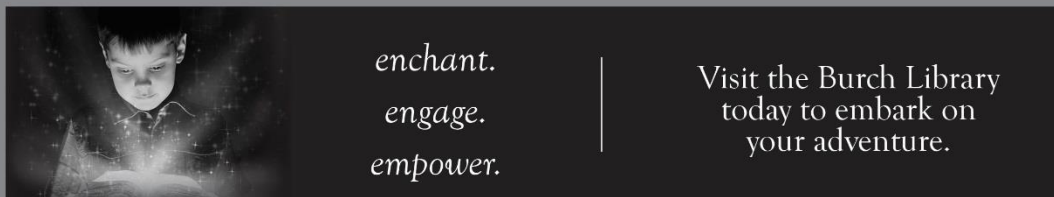

1. *Download and install OneClickdigital Media Manager* for a computer (Help section has links to install Media Manager for your computer's operating system)

- Browse for and check out audiobooks directly to your computer. You can then transfer to a device – media manager will find the devices available for transfer (see tutorial video under help for transferring to a device) or listen directly in the media manager

2. *Download and install the app that matches your device*

- IOS devices - app store
- Android devices – Google Play
- Kindle Fire – Amazon app store
- Sign in with username and password on library's OneClickdigital site
- Choose title, click "Checkout Now" or click "Hold"
- Title will go to the app in your device. Download by clicking on down arrow.
- If you would like to return your eAudio titles early, go to the "My Titles" page and click the "X" in the upper right corner of the title. In the app, click the  button and then the "Return" button.

- Limit of 10 checkouts; 14 days per checkout; can renew for 7 days if available
