

# TUTOR.COM QUICK STATS

9 million+ online tutoring and homework help sessions completed

More than 10 years of experience providing one-to-one learning solutions to libraries, schools and colleges

Over 90% of students who use Tutor.com say it helps them complete their assignments, build confidence and improve their grades

*“Ever since I started using Tutor.com, I have done better on homework and tests, but most importantly, I have understood the material on a higher level.”*

–12th Grade Physics Student

Tutor.com is provided by The Lucius E. and Elsie C. Burch, Jr. Library and available to students free of charge with an active Collierville Library card.

Visit [colliervillelibrary.org](http://colliervillelibrary.org) to get connected.

*“I feel more confident at school after using this program and my grades have drastically improved.”*

–11th Grade Algebra II Student

10 THINGS  
PARENTS  
SHOULD  
KNOW  
ABOUT  
TUTOR.COM

1

**Students See Results.**

Students who use Tutor.com report that it helps them complete their assignments, build confidence and get better grades.

2

**Personalized Learning.**

Every session is one-to-one between tutor and student. Your child gets help with his or her specific problem.

3

**No appointments Needed.**

Students get help right when they need it. Tutors are available online [ProgramHours].

*“I was completely unaware of adverbs. I didn’t understand them, let alone find them and use them. But then my tutor helped me understand and I was much more confident when faced with adverbs and identifying parts of speech.”*

–5th Grade English Student

4

**Safe Learning Environment.**

Sessions are anonymous and no personal information is ever shared between tutor and student.

5

**Tutors You Can Trust.**

All of our tutors—more than 2,500 of them—complete a rigorous application and qualification process that includes an extensive third-party background check.

6

**Support for 20+ Subjects.**

Students can get help with all math, science, social studies and English subjects, including algebra, chemistry, statistics, biology and essay writing.

*“This is perhaps the best way to get help from anybody, not only does it help a person in the privacy of their own home, but it leaves the awkwardness that a student feels when he or she asks a question before an entire class.”*

–11th Grade Trigonometry Student

Available on all smartphones and tablets

7

**Advanced Classes, Too.**

Students of all skill levels—from elementary to honors to college-level—can get help from a tutor. (In fact, 86% of students are more likely to take an AP course if they have Tutor.com.)

8

**Homework and Beyond.**

Students can work with a tutor on just about anything—homework, studying, test prep, essay writing, projects and more.

9

**You Can Monitor Student Progress.**

Every session is saved in your child’s account, and they can print or email a session transcript to you at any time.

10

**Students Love It.**

We get thousands of comments every day from students who tell us they “wouldn’t survive school without Tutor.com.”

*“100% awesome. I was having so much trouble and this helped me pass my tests and gain more confidence in algebra.”*
