

Library Notices **now available on** **facebook**

Setup is Easy!

- ☺ Log on to Facebook and go to “Account Settings”
- ☺ Under “General Account” Email click “Edit”
- ☺ Click on “Activate Facebook Email”

Facebook will then generate an email address that corresponds to your profile (sampleuser@facebook.com)

Once you have a Facebook email address, sign in to your online library account.

- ☺ Under “Contact Information and Preferences” update your email with your new Facebook email address
- ☺ Change “My preference for receiving library notices:” to “Email Address”
- ☺ Click “Submit Change Request” to save

**Polaris Library Notices will now appear in your
Facebook Messages!!!**
